

- **What is a WorldTracerWeb Webinar?**

Webinar, short for web-based seminar, is a presentation, lecture, workshop or seminar that is transmitted over the Web.

Questions can be submitted and answered either by telephone or by submitting them on screen.

"Getting To Know The WorldTracerWeb" is an introduction on the logic behind the WorldTracerWeb GUI and how to navigate it, including new features and enhancements.

- **Topics Available**

- What is WorldTracerWeb (WTW)?
 - An overview
 - How and where does it fit?
 - How does it work?
 - What is required on a client-side?
- WorldTracer Open and WorldTracerWeb comparison
- WorldTracerWeb real-time walk-through
